Armed with a squad of thirteen returning lettermen, Jim Lewis molded a host of juniors and seniors into a team which took third place in the Illini Conference, and ranked only a bit lower in the Big 12 standings. The 1950 edition of the gridiron Chinks showed an 8-2 record at the end of the season, and outscored their opponents 260 to 81, to chalk up the third successful grid season in Memorial Stadium.

The season got off to a flying start with a 19-9 victory over the Kewanee Boilermakers on the Chinks' own stamping grounds. While the Lewismen won the game, they lost a key player in Glenn Phillips, who suffered a broken leg during the third period of play.

The Mandarins took wins in Illini play --- crushing East Peoria, 32-0; and Canton, 54-0 --- in their next two encounters. The 54 markers tallied against the Little Giants set a new record for Chink scoring in Memorial Stadium. A 39-0 Big 12 victory was next on the Lewis-men's list as they spoiled a Lincoln homecoming celebration.

Then came double trouble. Bob Peake and the Manual Rams, soon to become conference champions, handed the Chinks their first Big 12 setback. A week later Streator, a Big 12 powerhouse, gunning for a share of the conference crowd, sneaked by the Chinks 27-22 on a last minute tally. The Bulldog win transformed a joyous Homecoming

crown into a sea of glum faces, as Pekin suffered its second and final Big 12 loss.

Peoria Stadium's frozen turf kept Pekin from the end zone until Doyle Glass finally slipped past the Centralmen to tally for the chilled Mandarins, as the Lions dropped a Big 12 tiff to the tune of 7-0.

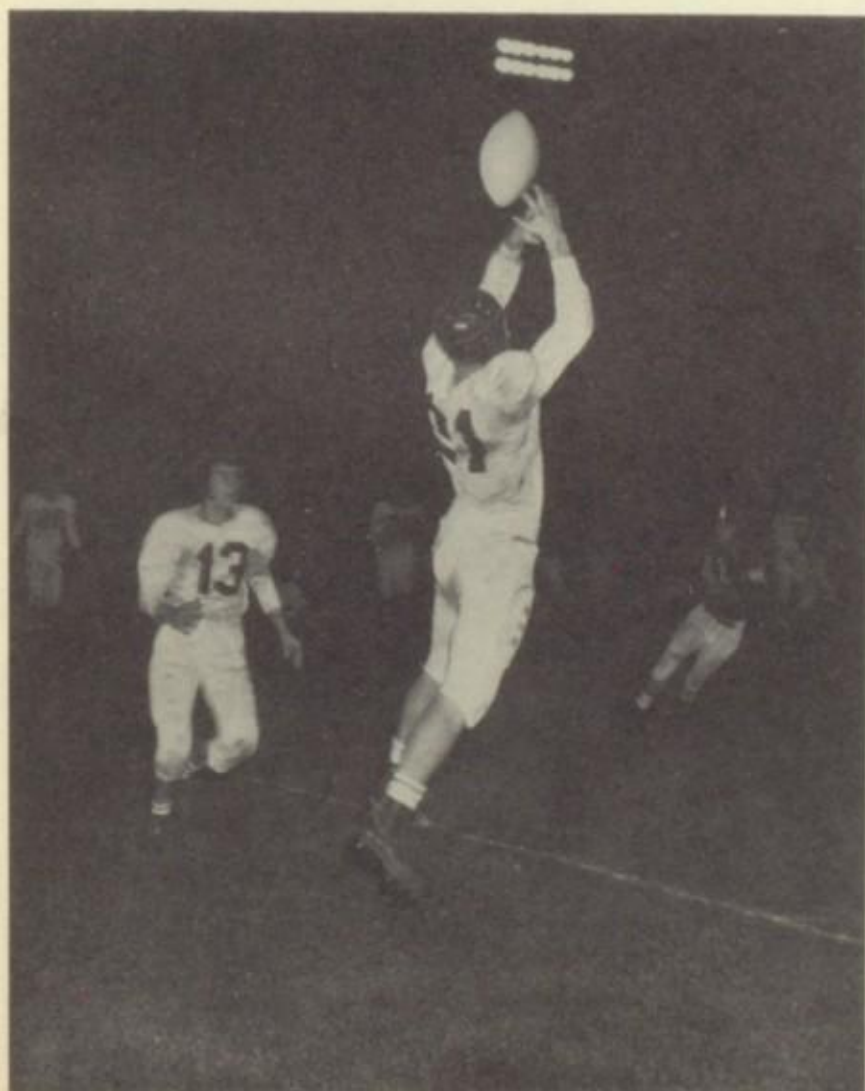

The only things hot in Memorial Stadium on November 3 were the coffee under the stands, and the Chinks on the

field, as Pekin ran roughshod over Spalding's frozen Irishmen on a bitterly cold Friday night, 40-0.

Former PCHS grid mentor, Bob Wilson, dropped a Big 12 tilt to Jim Lewis, as Doyle Glass romped 153 yards to lead Pekin in a 19-7 conquest at Mattoon.

Gary Newell's toe provided the margin of victory in Pekin's finale. He booted the point which enabled the Chinks to slip past a squad of win-hungry Woodruff Warriors 21-20 in the Peoria Stadium.

Bob Rudolph's 54 points made him top scorer for the season; and five members of the Mandarin squad, Bob H. Taylor, Ken Schermer, Garry Kinder, Oscar Tharp, and Ed Skaggs, received "all" honors of one sort or another. Skaggs was also chosen as 1951 captain by his teammates.

The 1950-51 Mandarin cage season started slowly, the Chinks winning only two of their first six tilts; but in 1951 Pekin caught fire, copping victories in ten of their final fourteen games.

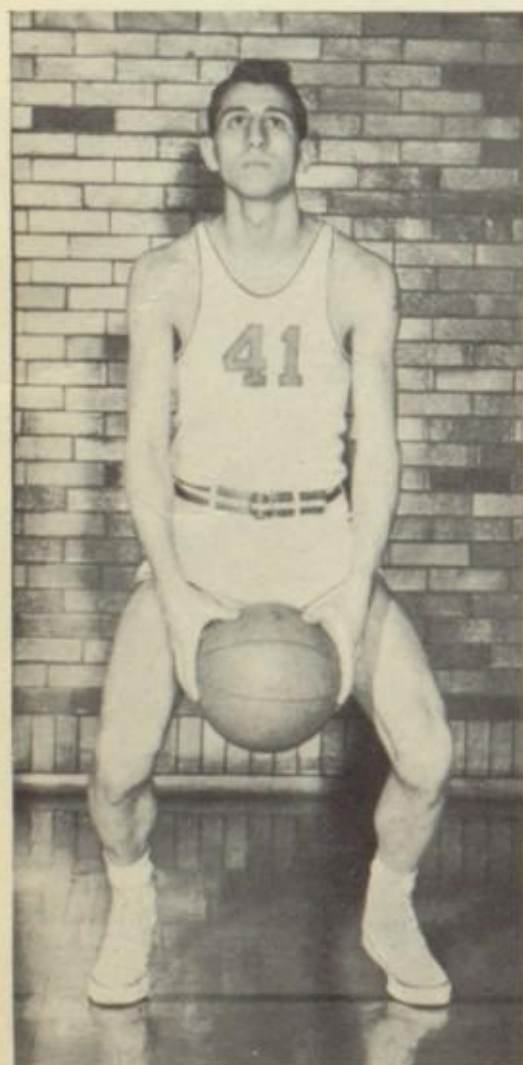

During the Christmas season, Pekin was again host to the Holiday Tournament, and for the second time in the two year history of the meet, captured the tourney crown by defeating strong Rock Island in the finals.

Highlights of the season were a pair of wins over arch rival Manual and a three-way tie with Mattoon and Springfield for third spot in the Big 12 standings. The Chinks

ended the regular season with a 15-10 record.

Moving into regional play, the Chinks romped through their first two encounters, soundly trouncing both Deer Creek-Mackinaw and Morton, and edged out the San Jose Red Devils, 43-40, for the Pekin Regional crown.

The Chinks were never headed as they chalked up their first win of the season over Canton's Little Giants in their initial sectional battle. Then, in the tilt to decide the area's delegate to the "Sweet Sixteen", Peoria Woodruff's Warriors, after a hard fight, took a sectional championship and a Chink scalp home.

Although Coach James Custer's "Big Three" -- Craig Wubben, Ronnie Shelton, and Bob H. Taylor -- saw action during only half of the season, the Chinks piled up a record of twelve victories and one tie in regular season competition and took third place in both the sectional and Big 12 tournaments. Thus the 1950-51 grapplers became the first PCHS mat squad to go undefeated in dual meets.

Pekin's closest brush with defeat was their lone tie, an 18-18 deadlock with Champaign, an annual state and Big 12 power; and a 24-12 victory over Chicago's power-

ful Tilden Tech Tigers provided a fitting inaugural for the Chink's home season.

Don Smith and Charlie Baker captured Pekin championships in the Big 12 meet; and Don copped the only Mandarin sectional crown. Rod and Dale Sandrock, and Bob E. Taylor took runner-up positions in the sectional contest, thereby advancing with Smith to the state finals, where Rod Sandrock was Pekin's lone state finalist, placing second in the 127 pound division.

Experience was the need of the 1950 diamond Chinks, as Harry Anderson's squad of juniors and sophs racked up a none-too impressive 9-13 record. This was actually not so bad as it seems, for one-run heartbreakers, such as 1-0, 2-1, 4-3, and 5-4, comprised the majority of the season's setbacks.

Anderson's work with the squad; however, left a mark upon them, as virtually the same boys captured Pekin's first state championship, copping the state American Legion baseball crown during the summer vacation.

1950 marked the second and final year as Chink track coach for Bob Wilson, who accepted the post of athletic director at Mattoon. The cinder-men grabbed a pair of wins in a half-dozen meets; both victories coming on the cinders of Memorial Stadium, and took fifth in the Illini, fourth in the District and Greater Peoria meets, and eighth in the Big 12 conclave, for the second time held in Memorial Stadium. The frosh-sophs took a third spot in the Illini Conference F-S race.

John Moss' perennial state contending racketsters experienced one of their most successful years in 1950. The Mossmen chalked up fifteen victories against only one setback, that to Danville, state and Big 12 champs, 4-3. The Chinks ranked third in the state finals, and finished behind the Maroons in the Big 12 Conference meet. Again, for the eighth consecutive year, a Moss-coached Chink net squad copped the district crown.

Given little chance to equal the mark set by 1949's greatest PCHS link squad, Jim Lewis' golfers spent the season in rebuilding and gaining valuable experience. Although a young squad, four of the first five being sophomores, the Chinks nevertheless took second place in the District and Illini Conference meets, and third in the Big 12.

The Path To Your Success Is Here At **Bradley University!**

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, "Bradley has the highest accredited rating that an institution can achieve in the United States."

Extra curricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 60 areas of study. Its free lecture arts series is not equalled in any University in the United States. The University is accredited by all the major accrediting agencies.

Under the new "Bradley Plan," a student is given the opportunity to combine his regular college education with military training in the University's Air ROTC. If his college and military work is creditable, he has a chance for deferment until graduation and for gaining a reserve commission, upon graduation, as a ground forces officer in the Air Force.
